YOUNG SPIRITS

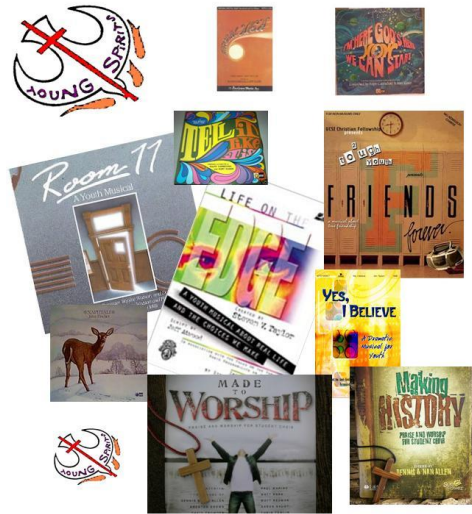

***“It only takes a spark to
get a fire going...”***

Young Spirits was formed in 1971 by the Milton-Union Council of Churches as a ministry to unify and strengthen local youth groups by practicing and performing a Christian musical on Palm Sunday weekend. Through the years, Young Spirits has given hundreds of local youth the opportunity to share their faith with the community through music and drama.

Although times have changed our organization continues to be the same. The Young Spirits is sponsored by the Milton-Union Council of Churches and is led by an adult steering committee.

Young Spirits is open to students in grades 7-12. Practices begin the first Saturday in January and continue every Saturday through the Palm Sunday weekend performance. The weekend before Palm Sunday is our annual weekend retreat. This is where we put the finishing touches on the musical and fellowship with one another through various activities.
