## **YOUNG SPIRITS INTERNET PICTURE CONSENT FORM**

---

As most of you know, we (the Young Spirits Organization) have a web site at [www.youngspirits.com](http://www.youngspirits.com). We are always putting any new information that we want you to know onto this web site. We are also constantly trying to find new things to do with our web site. One of the ideas we had is to put a “scrapbook” section within the web site with various pictures of some of the members and functions of the Young Spirits. We **will not** use any names with any pictures of the adults, performers or crew members that we use on the web site.

Adding this “scrapbook” section becomes a liability factor for the steering committee members. Although it’s highly improbable, there is a rare chance that someone who is more advanced with computers and the internet could work with these pictures and use them in a manner for which they were not intended to be used for. So, we are handing out this consent form for you (the member) to give to your parent or legal guardian to read and sign. In order for us to use a picture on our web site with you in it, we will need to have this consent form on file, filled out and signed by your parent or legal guardian.
